

Advanced **LifePlan** and **StratOp** Training + **Alumni** Event

Advanced LifePlan

This class is for Certified LifePlan Facilitators who have completed the basic “The Art of Facilitating LifePlans” through the Paterson Center. The training requires each attendee to have completed a minimum of three LifePlan facilitations. Each facilitator will electronically submit one completed LifePlan to be distributed to the rest of those attending for review prior to the class (with the client’s release). Additionally, each facilitator will deliver one client review of their experience of the LifePlan process and your facilitation (through a “What was Right, Wrong, Confused, and Missing” framework).

For two days you will learn from each other’s delivered LifePlans and be exposed to new and advanced LifePlan tools and facilitation techniques.

Advanced StratOp

This class is for Certified StratOp Facilitators who have completed the basic “The Art of Facilitating Strategic Operating Plans” through the Paterson Center. The training requires each attendee to have completed a minimum of three StratOp facilitations, each producing a Plan-On-A-Page and Playbook. Each facilitator will submit one completed StratOp plan and electronically distribute it to the rest of those attending for review prior to the class (with the client’s release). Additionally, each facilitator will deliver one client review of their experience of the StratOp process and facilitation (through a “What was Right, Wrong, Confused, and Missing” framework).

For two days you will learn from each other’s delivered StratOp plans and be exposed to new and advanced StratOp tools and facilitation techniques.
